EDUCATION

National Institute of Technology Delhi

Bachelor of Technology in Computer Science and Engineering

Delhi, India

Expected May 2028

TECHNICAL SKILLS

- **Programming Languages:** C++, Python, C
- **Libraries & Frameworks:** NumPy, Pandas, Scikit-Learn, Keras, Matplotlib
- **Core Computer Science Foundations:** Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP)
- **Domain-Specific Concepts:** Artificial Intelligence & Machine Learning (AI/ML), Predictive Analytics, Exploratory Data Analysis, Data Visualization
- **Developer Tools:** Git, GitHub, VS Code

PROJECTS

Predictive Analytics & Machine Learning Model

Python, Scikit-Learn, Pandas, NumPy, Matplotlib

- Engineered an end-to-end predictive machine learning model to efficiently process complex datasets and forecast target milestones.
- Conducted exhaustive exploratory data analysis (EDA) and built feature engineering pipelines leveraging NumPy and Pandas.
- Utilized Matplotlib to perform rigorous data visualization and iteratively tuned model parameters to optimize accuracy metrics.

High-Performance Algorithmic Trading Simulator

C++, STL, OOP

- Designed a high-performance command-line stock market simulation application using optimized C++ standard library structures.
- Implemented custom sorting and traversal search algorithms to execute and handle dynamic buy/sell orders with minimal latency.
- Leveraged robust Object-Oriented Programming principles to ensure a highly modular, scalable, and easily maintainable backend architecture.

ACHIEVEMENTS & CODING MILESTONES

- **Robotics Competition Finalist:** Secured **2nd Prize** in the highly competitive Robo Soccer tournament hosted by the NIT Delhi Robotics Club, demonstrating hands-on technical integration, rapid troubleshooting, and effective teamwork under pressure.
- **LeetCode Consistency:** Successfully solved **240+ algorithmic problems** focusing on arrays, strings, trees, dynamic programming, and graphs to build deep foundational problem-solving intuition.

LEADERSHIP & EXTRACURRICULARS

School Kabaddi Team

School Level

Team Captain

Leadership

- Led a competitive athletic team through regional tournaments, fostering effective team communication, strategic planning, and collaborative execution under high-pressure scenarios.
- Organized and managed daily training sessions, building strong internal discipline and a goal-oriented team mindset.
